

Greetings Panther Family! This is Dr. Perkins. I am very excited to remind you that we will offer transportation to all students that meet the requirements set forth by the Cleveland Metropolitan School District.

K-6 students that live 1-5 miles from the school could receive transportation if CMSD deems it practical with their current bus routes
7-12 students that live one mile or more will be given RTA bus cards.

Those students who need bus cards must register with the main office. The process is easy. We have all of the information CMSD requires, but we will need to take a picture for the card as personal identification. The sooner we can do this the better. Please contact our main office and make arrangements to come in and get your picture taken. Our office hours are from 9 am - 2 pm Monday through Friday.

Thanks and I cannot wait to see you on August 13th. **GO PANTHERS!**
