

CLEVELAND PREPARATORY ACADEMY

April 8, 2020

Greetings Cleveland Preparatory Academy Families,

I hope this letter finds everyone in good health and spirits! Each day, you and your children are thought of by the wonderful, caring staff of Cleveland Preparatory Academy. We miss all the smiling faces, the fast-paced school days, and what was just a regular routine. Like you, we look forward to the day that we can get back into those routines and resume life as it was. Each day we get closer and closer to that.

Your teachers have been working very hard from home, like many of you, over the past few weeks. Lesson and communication plans are taking up most of their efforts currently. We are excited to continue to bring with new and fresh learning opportunities for the students. Please visit the COVID-19 page on our website and Classdojo to find links and those resources. Also, check out our Facebook page for new content every day. We are offering many fun activities that will help maintain your student's engagement with educational and recreational opportunities.

Don't forget, we continue to be your community partner for free meals for any student 18 and younger. Every Tuesday from 10:00 a.m.-12:00 p.m., we are providing a week's worth of breakfast and lunch at West Park Academy and Lincoln Prep Academy.

Location Information:

West Park Academy - 12913 Bennington Ave, Cleveland, OH 44135

Lincoln Prep - 3185 W 41st St, Cleveland, OH 44109

As we watch each day Governor DeWine's update on the COVID-19 pandemic, we remain hopeful for a possible return to school, but only time will tell. We respect the Governor's authority for the shut down and continued social distancing, and will remain compliant with his office, as well as the offices of the Ohio Department of Health and Department of Education. Our main goal is, as always, to keep all our scholars, staff, families, and community members safe as we navigate through these difficult times in dealing with this pandemic.

As always I will continue to communicate and provide updates as deemed necessary. Please reach out if you need anything.

Yours in Education,

Robert Williams
