Dear Students and Families,

We want to welcome you and your scholar(s) to Cleveland Preparatory Academy and are excited to begin the year with you. As we approach the beginning of the school year, I want to thank all of you within the CLPA school community for embodying dedication, teamwork and commitment to continuing education together for our students.

Over the coming weeks, we will be releasing more detailed information. Please: Check your email, school website & Facebook page periodically for summer events, logistical details like safety protocols, technology, and transportation.

There are still openings in each of our classes, grades K to 8. If you know of parents who are looking for a high-quality school, I hope you will share with them what you have learned about Cleveland Preparatory Academy. Ask them to call the school office at 216-741-2991 to receive more information.

We look forward to working with you to provide the rigorous and effective education you want for your child, in a school marked by safety, caring, and respect for students and their families.

Best Regards,

Cleveland Preparatory Academy
