

## CLEVELAND PREPARATORY ACADEMY

4850 Pearl Road Cleveland, Ohio 44109 O: (216) 741-2991 F: (216) 675-6175

Greeting Families of Cleveland Preparatory Academy:

Welcome to the **2022-2023** school year! My name is Felicia Woods-Wallace and I have the distinguished privilege of serving as your scholar's Building Principal. I am extremely excited to work with staff and parents to ensure that our scholars receive a comprehensive and rigorous instructional experience, while maintaining a safe and positively charged learning environment. Our focus will remain on creating engaging lessons, raising the levels of student performance PLUS making sure that we cultivate a positive social and emotional school culture

June 21, 2022 at all times.

Along with our academic focus, this year we are thrilled to announce that we are returning gym classes to our scholars' schedule! In addition, we are offering them the opportunity to participate in intramural sports! We will start the year with football, then basketball and end the year with track. These opportunities will provide male and female scholars either a first look at these sports or more conditioning in an extracurricular activity of their choosing.

Another layer of support that we are adding inside of our school is a Panther Patrol Group composed of Cleveland Prep parents! These select parents will assist with managing our breakfast/lunch program, volunteer in classrooms, assist in hallway transitions as well as provide an alternative space and activities during recess. These are but a few functions of our new Panther Patrol Group. If you are interested in helping with this Group, please inquire by calling the Family Liaison at 216.741.2991.

The first day of school for scholars is on **Monday, August 15, 2022**. Their school day will consist of the following:

**\*7:30am - 8:00am Breakfast**

**\*8:00am - 3:30pm Instructional Day**

**\*3:30pm - 4:00pm Driveline Dismissal**

Scholars are considered tardy after 9:00am. If a scholar has an appointment or an emergency, families are asked to call the school office at 216.741.2991 to report the scholars' absence.

At the end of our school day, scholars will also have an option to participate in a Social-Emotional Program called Guiding Point. This is the second year that we are partnering with this organization and our scholars love it! Their days and hours of operation are Tuesdays through Thursdays from 4pm - 6pm. Registration forms will be sent home at the beginning of the school year with more information.

The staff and I look forward to teaming with you to ensure that our scholars have an amazing school and reach their fullest potential!!

In education,

Felicia Woods-Wallace, M. Ed. - Principal
