Dear Cleveland Preparatory Academy Families,

As the proud new Principal of our wonderful EarlyK-8th grade institution, I would like to extend a warm welcome to all our new and returning students and their families.

We hope this letter finds you in good health and high spirits as we embark on the upcoming 2023-2024 academic year at Cleveland Preparatory Academy. We are thrilled to have you as part of our close-knit school community and look forward to a year filled with growth, learning, and memorable experiences.

Our mission is to prepare students with the ability to be leaders by promoting unity, acceptance, and knowing the potential of their voice. We believe that a strong partnership between the school, parents, and students is crucial in achieving this mission. Together, we can create a supportive and enriching educational journey for each child.

Throughout the year, we will be offering a wide range of academic programs, extracurricular activities, and special events to enrich the educational experience of our students. These may include field trips, sports tournaments, science fairs, art exhibitions, and community service initiatives. We encourage all students, parents/guardians to actively participate and make the most of these opportunities for personal growth and skill development.

Please note that the first day of school for all K-8 students is Tuesday, August 15, 2023 at 8:00am and breakfast starts at 7:30am. We kindly request parents to ensure that their child arrives on time and is prepared for an exciting day of new beginnings.

Should you have any questions, concerns, or suggestions throughout the school year, please do not hesitate to reach out to us. We are here to support you and your child every step of the way.

On behalf of the entire staff at Cleveland Preparatory Academy, I once again extend a warm welcome to all our students and families. Together, let us make this academic year one filled with growth, achievement, and lifelong memories.

Wishing you a fantastic year ahead!

Sincerely,

Mr. Dominique Fishback, M. ED
